

Kickoff Dinner Set Tomorrow

James Stewart, five-time Academy Award nominee and Oscar winner, will appear at the countywide kickoff of the 1968 United Crusade tomorrow at the Hollywood Palladium.

Stewart will speak at the 7 p.m. dinner show featuring the Young Saints, a group of singers, dancers and musicians from Watts.

The fifth annual event will kickoff the 1968 United Crusade which has the largest goal in Los Angeles his-

tory — \$28,200,000. Funds raised through the campaign will support service provided by 244 agencies of United Way and 12 chapters of the American Red Cross.

CURRENT statistics show that every year one out of every three people living in the greater Los Angeles area uses one of the network of health, youth, and welfare services provided by United Way agencies and American Red Cross chapters.

STEWART, WHO recently retired as brigadier general in the U.S. Air Force Reserve, is active in several United Crusade causes, including service as a member of the executive board of the Los Angeles Area Council of the Boy Scouts of America, and national fund vice chairman of the American Red Cross.

The Young Saints, high school and college students who were organized as a singing group 12 years ago

by Evelyn and Tommy Roberts, have appeared on television and have traveled throughout California in a series of concerts.

Sgt. Cecilio Rivera-Agosto, 21, son of Mr. and Mrs. Cecilio Rivera of 330 W. 223rd St., completed the six-week noncommissioned officer academy course at the Fifth U.S. Army Noncommissioned Officer Academy, Ft. Riley, Kan., Aug. 9.

Post Office Asks Penalty On Multiple Box Rentals

Plans to limit box rentals to one per customer have been dropped by the Post Office Department in favor of a penalty planned to discourage multiple rentals.

Post master Carl L. Backlund said the Post Office has proposed that each patron be charged three times the standard fee for the rental of more than one box at the same postal installation.

The premium rates would become effective next Jan. 1, Backlund said.

Notices of the proposed increase has been filed for publication in the Federal Register. Interested parties have 30 days following publication to submit comments on the proposal. Such comments should be in writing.

Backlund said the proposal is designed to reduce the cost of servicing multiple rentals, particularly by department stores, banks, and other businesses which use several boxes in an effort to get mail sorted.
